Town of Winfall
Public Works Sewer Collections

July 11, 2023

Dear Residents,

Sewer spills are messy, bad for the environment and can result in stiff financial penalties from state regulators. Town of Winfall does everything it can to prevent sewer spills. But we can't do it alone. You play an important role in helping us maintain an efficient public sanitary sewer system.

What causes sewer spills? It's simple. They're caused by improper disposal of items into the sewer system. We ask that you be aware of the following guidelines:

- Please avoid pouring fats, oil or grease from cooking down the drain. Instead, collect them in a container and dispose in the trash.
- Please don't use your toilet as a wastebasket. Place a wastebasket in the bathroom to dispose of items such as disposable diapers, hand towels, baby wipes, plastics, weave hair, mop strings and personal hygiene products.
- Unless you have a garbage disposal, please don't use your drain to dispose of food scraps. Place food scraps in waste containers or garbage bags for disposal.

We appreciate your cooperation in following those few simple guidelines. Together, we can protect our sewer system and our environment. For more information, please contact the Town Office at (252)426-5015.

Sincerely,

Frederick L. Yates, Mayor

Re: Winfall Garbage Rate

Dear Residents,

In regards to your question about the increase in Winfall's sewer rates. The Town of Winfall residents will not have an increase in sewer rates this fiscal year, even though the town's rate will increase. There will be an increase of the garbage rates becoming effective August 1, 2023. The rates for the garbage will increase by \$1.00. The new rate for garbage will be \$14.00 per can. If you have any other questions or concerns please call us at 252-426-5015.

Thank you,

A handwritten signature in cursive script that reads 'Valerie J. Jackson'.
