Notice of Sewer Utility Rate Adjustment for Fiscal Year 2026–2027

Dear Residents and Business Owners,
The Town of Winfall is committed to providing safe, reliable, and efficient utility services to our community. To continue maintaining and improving our sewer system while addressing increasing operational and infrastructure costs, the Town will implement an adjustment to sewer utility rates.

Effective August 1, 2026, the following utility rates will be in effect for the 2026–2027 fiscal year.

Please review the updated rate schedule below.

Utility Rate Schedule

Service	Previous Rate	New Rate
Garbage Collection (per can)	\$15.00	\$15.00 (No Change)
In-Town Residential Sewer (Monthly)	\$47.50	\$50.00
Small Non-Residential Business Sewer (Monthly)	\$47.50	\$150.00
Large Non-Residential Business Sewer (Monthly)	\$47.50	\$350.00

Sewer Usage Rates

Monthly Usage	Previous Rate	New Rate
0–5,000 gallons	\$10.00 per 1,000 gallons	\$11.00 per 1,000 gallons
5,001–20,000 gallons	\$16.00 per 1,000 gallons	\$17.36 per 1,000 gallons
20,001 gallons and above	\$16.00 per 1,000 gallons	\$32.00 per 1,000 gallons

These rate adjustments are necessary to help ensure the continued operation, maintenance, and improvement of the Town's sewer utility system while meeting current and future service demands.

We appreciate your understanding and continued support as we work to provide dependable utility services for our residents and businesses.
If you have any questions regarding these changes, please contact Town Hall during normal business hours.

Thank you for your cooperation.
Sincerely,
Town of Winfall
